

*National Honor Society  
Community Service  
Documentation Form*

I understand that members of the Grangeville High School chapter of the National Honor Society must perform at least three (3) hours of community service each semester to maintain active membership. Community service is any activity voluntarily performed by the student for which he/she is not paid and is not required as a result of an indiscretion or penance. The primary beneficiary is to be the local community, not the individual or his/her family. Such community beneficiaries may be youth groups, the aged, the disadvantaged, the poor, Boy/Girl Scouts, church or community groups, the hospital, community benefit fund raisers, etc.

I hereby certify that \_\_\_\_\_ (*name*)

did \_\_\_\_\_ (*number*) hours of voluntary community service to  
\_\_\_\_\_ (*group/organization, nature of work*) on  
\_\_\_\_\_ (*date*).

Signed,
