## **WELCOME**

Dear GHS students:

As Principal of Grangeville High School, it is my pleasure to welcome everyone back for another great year. We are excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our job as staff here at GHS to challenge each of you to grow academically, socially, and to be college-ready by the end of four years. Our school has the tradition of excellence and has a reputation statewide for success. It is now your turn to continue these traditions. Work hard, be involved, have fun, and make memories! As the year progresses, remember it is easier to stay caught up than to catch up. Have a great year! **GO DAWGS!!!**

For Grangeville is our High School,  
And when those GHS boys fall in line,  
We're going to win that game again this time.  
And for our Grangeville team we yell, we yell,  
And for our colors blue and white we yell, we yell,  
So its fight, fight, fight for every score  
Come on and take that ball right down the floor  
We're going to beat OLE\_\_\_\_\_all the time, all the time  
So fight-fight, fight!

for the next class.

## ATTENDANCE

### STUDENT ATTENDANCE SCHOOL DISTRICT POLICY 503

#### ABSENCES

Pre-arranging a doctor's appointment is done by bringing a note from a parent/guardian or a phone call from a parent/guardian that excuses the student for the amount of time listed on the note. Students are to pick up an office/doctor slip that their doctor fills out or they can bring back documentation of the doctor appointment on the doctor's official letterhead or official office notes. This allows us to excuse the time missed from school from affecting the 90% attendance requirements.

**If a student knows they will be absent, it is the responsibility of the student to get the work from the teachers.** The teacher will let the student know what work will be missed while he/she is gone. **Assignments that require a student to be present for participation, such as labs, tests or speeches, will be completed on the day he/she returns or in the time frame designated by the teacher.**

Students leaving the building during the school day must sign out at the office prior to their departure. Only a parent/guardian or their emergency designee can give a student permission to leave school. Parents can dismiss their child by a note or a phone call prior to the student leaving school.

**Make-Up Work:** Students will be allowed the number of days they are absent (up to 5) plus one day to turn in missing work. (More time may be allowed at the discretion of the Teacher and/or Administration)

**Tardies:** Students will be given a "Free" tardy per semester. Students may accumulate up to 3 **Excused** tardies over the course of a semester. Each excused tardy after that will result in a time hall. **Every 5 Tardies will be considered one day absent in that class.**

**Admit Slips:** Students are required to get an admit slip from the office when they have been absent and are returning back to class mid day or mid period. It is the responsibility of the student to make sure they get any missed assignment because of an absence. If a student is gone from class fifteen minutes or more, he/she is considered absent for that class and must get an admit slip from the office. **Please remember that students leaving school without checking out at the office will be marked with an unexcused absence (truancy) even if they bring a note after they return to school.**

**TRUANCY:** Students who are absent without the knowledge and consent of parents or the school will be classified as truant. This classification shall also apply to any student who fails to report to an assigned class within the school day or who leaves school with out authorization from his or her principal.

#### **Administration of Truancy Policy**

7

1. First Truancy – Parents notified and one (1) Time Hall assigned. No credit for class work assigned or **due for the classes missed.**

2. Second Truancy – Parents notified, and 1 day out of school suspension. No credit for class work assigned or due for that day in the class or classes that the student was truant. Make-up work will be allowed for the other classes missed.
3. Third Truancy – Parents notified and 3 days suspended from school. No credit for class work assigned or due for that day in the classes the student was truant in.

Information on procedures will be shared by the school district regarding this situation.

### **IDLA POLICY**

Mountain View School Districts IDLA policy states

- The district will not pay for the same IDLA class to be taken a second time
- IDLA classes will be paid for by the district when the district offers the preferred class, but there is a scheduling conflict that will not allow the student to take the course in the classroom.
- The district will not pay for an IDLA class that is offered by the school when there are not competing classes unless approved by the principal.
- The district will pay for IDLA classes that the school does not offer with approval from principal.
- Students must pass the final and the course work with a 60% in order to pass the class.

### **CLASS SCHEDULES**

Class schedules are prepared for students at the beginning of each semester. Only under extreme circumstances will a student be allowed to change a class schedule. All schedule changes must have the approval of the parent and the counselor.

### **COLLEGE VISITS**

Seniors are allowed two school days to visit a college or university and Juniors will be allowed one day. All visits are to be prearranged at the office and documentation from the visited school will be required upon return.

### **FEES & FINES**

If a student owes fees or fines to GHS the school can withhold transcripts, report cards, or diplomas until the obligation is satisfied. All obligations must be taken care of prior to the beginning of the next school year at registration.

## **GRADUATION AND CLASS NIGHT PROCEDURE**

In order for a student to participate in Class Night and Graduation ceremonies, he/she must qualify to receive a diploma by the last day of attendance for seniors. Students must qualify for graduation under Policy #512, including passing ISAT tests or the district alternative to the ISAT, and the appropriate number of credits earned from required courses of study. Incomplete grades must be resolved or transcripts from other approved educational entities must be received one week prior to graduation or the student cannot participate in the ceremonies. **Only students who have earned a diploma by the end of their last day will be recognized at Class Night and Graduation.** Seniors qualifying for graduation must attend the practice for Class Night and Graduation or they will not be able to participate in the ceremonies. Students that attain a minimum of 3.2 GPA by their 7<sup>th</sup> semester in High School will be provided with honor cords by the school.

**Graduating students will not be allowed to decorate any part of their gown with adornments or accessories other than the class stole and academic honor cords. Students are allowed to decorate their caps; however, no accessories shall go up or hang down from their cap; accessories or adornments must lay flat.**

## **VALEDICTORIAN/SALUTATORIAN CALCULATIONS**

Valedictorians and salutatorians must qualify for a Mountain View School District #244 diploma and must have earned 25 % of their 48 credits (at least 12 credits) from GHS by the end of their seventh semester or they will not be considered for these academic honors. Valedictorian candidates must complete fourteen (12) classes their senior year and salutatorian candidates must complete at least twelve (10) classes their senior year.

## **HONOR ROLL**

The honor roll is computed after each quarterly grading period. Honor roll status is achieved with a 3.0 or better GPA. Special recognition goes to students who receive all A's. A student is recognized for academic achievement with a script letter "G" after the first semester in which he/she earns a 3.5 or better GPA. A pin can be purchased each subsequent semester in which a 3.5 or better is earned. Students in the ninth and tenth grades must take seven academic classes per semester to qualify for academic awards. Students in the eleventh grade must take six academic classes and students in the twelfth grade must take five academic classes to qualify for academic recognition. Half credit classes such as Aide or Ed Cadet do not count as academic classes. See the section titled LETTERING.

**DUAL CREDIT / DISTANT LEARNING COURSEWORK** GHS students have the opportunity to take dual credit and advanced placement coursework through certain GHS courses and other state institutions. Dual credit course offerings are subject to change on a yearly basis. Students should check with the counselor for current information. On-line or distant learning courses are offered to students through IDLA and the IVC system. **Students must pass the final and the course work with a 60% in order to pass the class. Grangeville High School will not consider approving the retake of semester finals except for graduation purposes.**

**NON-ACADEMIC AND ½ CREDIT CLASSES** Juniors are allowed to take one ½ credit class (Teacher Aide, Office Aide, and Library Aide) per semester. Seniors may take a total of three classes per semester by selecting from Teacher Aide, Office Aide, Library

Aide, Ed Cadet or Career Experience. All classes that earn ½ credit will receive a “P” for passing or an “F” for failing. The “P” grade will not be figured into a student’s Grade Point Average (GPA). Career Experience classes will be given 1 credit per semester.

## **PLAGIARISM**

Taking the work of another and attempting to pass it off as your own work is plagiarism and is not be an acceptable practice at GHS. Plagiarism also includes taking another person’s work and changing a few words or paraphrasing another’s work. Quoting and properly citing the author when doing research is an appropriate use of another person’s work, but should be done with the permission of the teacher for whom the work is being done and should not be the major part of the assignment. No credit (a zero) will be given for work in which plagiarism is found.

## **PARENT CONFERENCE/VISITORS**

Parents are welcomed and encouraged to come to school to talk with teachers. Appointments should be made to coincide with teacher prep periods by calling the office -- 983-0580. Student visitors will not be allowed during the course of the instructional day.

## **PROGRESS REPORTS**

**Progress reports are mailed during the fifth week of each quarter to those students that do not have access to the student information system from their home.** Student grades and attendance can be accessed at any time through the district’s student information system. Please contact the office if you need assistance obtaining this information.

## **REPORT CARDS**

Report cards will be given to students on a quarterly basis. Semester grades are entered on the student's permanent record. Any outstanding obligations to the school may result in the loss of family access to the skyward system.

## **LIBRARY MEDIA CENTER**

The Library Media Center is for students to use for free reading, browsing, individual and group research and study. Students are expected to use their time in the Library Media Center wisely as the use of the library is a privilege. The librarian is available to help students access our wide variety of resources.

All students are issued a library card which will allow them to access library materials throughout the VALNet Library consortium. Print and non-print materials may be accessed in the Library Media Center or electronically at <http://www.valnet.org/>. Fines will be charged for overdue materials based on the lending library’s rates. Students are expected to pay for any books or materials they lose or damage. Irresponsible use of library materials may result in a blocked library card.

Computer stations are available in the library for use by students. Students are expected to use the computers and other technology provided responsibly and in accordance with the Acceptable Use Policy.

## **WITHDRAWING FROM CLASSES AND TRANSFERS**

No student may withdraw from a class without written parent/guardian permission. A failing grade will be recorded if the student withdraws from the course after the first ten days of the semester. Students cannot sign up for a new class after the deadline established by the counselor has passed in any semester. Unless dually enrolled, 9-11 grade students will be required to take seven classes', and seniors will be required to take four classes. Students that do not have a class are not to be on campus unless they have checked in the office and have been given permission. If a student completely withdraws from school, he/she is not allowed on school property except for activities open to the general public.

## **ACTIVITIES**

Grangeville High School offers many extracurricular activities for students who meet participation requirements. Before students may participate, both the student and his/her parent/guardian must sign the school activity code and other documents required by the state and the school. If a student or parent/guardian refuses to sign the activity code, the student cannot participate. Students that do not qualify academically for participation when the first team meeting or practice is held may not be allowed to join a team even if they become eligible academically during the season. Students who move in and begin attending GHS during a sport season will be allowed to participate if all eligibility requirements are met.

## **CONDUCT AT ATHLETIC CONTESTS**

Good sportsmanship from participants and spectators has always been a tradition at Grangeville High School. This reputation, which has taken years to build, can only be maintained through individual efforts. Those spectators found to be conducting themselves in a manner inconsistent with good sportsmanship may be asked to leave immediately. The length of time the spectator may be barred from attending GHS functions will be determined by the administration after the facts have been gathered. Spectators are to watch the athletic contest and cheer GHS teams enthusiastically and in good taste. There are not to be any informal games (touch, tackle, or passing football, as an example) on GHS grounds.

Any person, whose conduct in or out of school is such that it reflects discredit upon himself/herself, the school, or the community, may be prohibited from representing the school in any capacity or attending any school activities. Awards or honors for activities from which a student is terminated may be forfeited.

## **SOCIAL PROBATION**

Students that are failing a minimum of five of their seven classes may be subject to social probation. Social probation will restrict the student from attending any after school activity until their grades have recovered to a satisfactory level

## **DANCES**

Students should remember that GHS dances are governed by strict rules so that GHS functions are safe and have a good atmosphere. Persons who are not GHS students are permitted to attend only as a guest of a GHS student at the following dances; *Homecoming Dance*, *Christmas Dance*, and *Prom*. Non-GHS persons attending as a guest of a GHS student will be permitted to go to the dance at the discretion of the building principal or his/her designee. Elementary and/or Middle/Junior High School students, or children of comparable age, are not permitted to attend GHS dances. The decision of the building principal is final. Law enforcement agencies and former schools will be contacted for non-GHS people and if any problems have been documented, their attendance at the dance will likely be denied. Persons with drug or alcohol convictions will be automatically denied. This includes former GHS students. Non-GHS people, who are guests of GHS students, attending a GHS dance are the responsibility of the GHS student with whom he/she is attending. If a non-GHS person who is the guest of a GHS student is involved in problems at a dance, it may result in a loss of dance privileges for the GHS student. The GHS student will sign up for approval in advance of the dance so the office will have time to check on the reputation and character of the individual in question. There is an age limit of 20 years old for non-GHS guests attending dances. Exceptions may be made on a case-by-case basis. All other dances are for GHS students only. Once a person leaves a dance, he/she may not re-enter.

## **DRUG TESTING/ACTIVITY CODE SCHOOL BOARD POLICY 540**

Athletes will be tested for drugs at the beginning of the student's first sport each year. The athletes will be placed in a pool for random drawing each week of the sport. Because the drawing is random, the athlete selection is by chance, meaning an athlete may never be drawn or may be drawn each week. The Activity Code covers consequences of student use of tobacco, alcohol and drugs if the activity is sponsored by GHS with an advisor/coach. Athletic seasons and/or activity seasons may overlap one with another. See policy 540 for more details.

## **EXTRA-CURRICULAR PARTICIPATION**

GHS offers students the opportunity to participate in academic and athletic activities. There is a participation fee for each activity a student wants to join. That fee must be paid prior to a student being able to participate in activities. No portion of the fee will be refunded if a student quits or is removed from participation. Activities include Baseball, Basketball (girls & boys), Cheerleading, Soccer, Football, Quiz Bowl, Softball, Tennis, Track (girls & boys), Volleyball, Wrestling, and Youth Legislature. Pep Band members have no fees for participation. The participant must adhere to State rules and regulations and sign the School District Policy 540 consent form in order to participate.

Extra-curricular programs stress unity among the individuals representing GHS. As such, participants must be transported to the contest on school provided transportation and remain under the supervision of an advisor/coach. While the participants are representing GHS they are to be supervised by GHS approved personnel. If the event requires over-night lodging the participants must stay with their supervised group at all times. Participants are strongly encouraged to ride home on school provided transportation. In the event that a participant's parent/guardian wants to take the participant home after the event has taken<sup>14</sup> place, the parent/guardian will simply sign the school transportation roster and their child is released to them. Only a parent/guardian is allowed to sign the child out. In the event of two school sponsored activities occurring on the same day, special arrangements may be

made for a parent/guardian to transport another parent's children so the students may participate in both activities. This must be pre-arranged in writing from all parents/guardians involved and approved by the building principal prior to the departure of the participants for the first event. Coaches cannot release participants unless the process stated above has taken place. Participants cleared to be released to a parent/guardian cannot be released to anyone else. Any deviation from this process must be discussed and approved by the administration prior to the contest. Only extremely unusual circumstances will receive consideration.

### **GAME DAY ATTENDANCE REQUIRMENTS**

**Student athletes will be ineligible to participate if they are absent any part of the day that an activity is scheduled unless pre approved by the principal.**

### **ATHLETIC ELIGABILITY**

All participants must maintain a 2.0 GPA and have no more than one failing grade to participate in athletic contests. Cumulative semester grades will be reviewed at all grading periods to ensure eligibility. If a student athlete becomes ineligible, he/she will remain ineligible for a minimum of one week. A student that is ineligible will be required to miss a minimum of one contest and will not be allowed to travel with the team.

### **INSURANCE**

Students are provided an opportunity to purchase insurance for themselves as students and/or athletes. No athlete is to participate without medical insurance. Neither Mountain View School District # 244 nor Grangeville High School provides insurance for students and/or athletes.

### **LETTERING**

Lettering in high school is a reward for significant effort and achievement in a GHS sponsored extra-curricular activity. Coaches and advisors set the criteria that student/athletes must meet in order to qualify to receive a block "G". An academic letter, a script "G", is awarded to students who earn a 3.5 Grade Point Average (GPA) in a semester. Students in the ninth and tenth grades must take seven academic classes per semester to qualify for academic awards. Students in the eleventh grade must take six academic classes and students in the twelfth grade must take five academic classes to qualify for academic recognition. Half credit classes such as Aide, Ed Cadet or Career Explorations do not count as academic classes. Receiving any "G" certificate enables a student to purchase the appropriate letter and/or pin from the high school office

### **STUDENT BODY CARD**

The Bulldog student body card is the passport to all activities at GHS. It must be shown to gain entrance to all sports activities. A replacement for a lost card will cost \$5.00. A student who allows someone else to use his/her card will lose the card and its privileges. If you do not have your student body card with you, be prepared to pay the full admission cost to get into the activity. When a student withdraws, drops out, or is expelled from school they must forfeit their student body card to the office. A non-GHS student or a student enrolled less than half time cannot have a GHS student body card.

## **HIGH SCHOOL OFFICE & HALLS**

Student business with the office should be conducted before/after school and during lunch. Unless students have an appointment with an instructor, they should not be in the halls before 8:05 a.m. or after 3:30 p.m. Halls are closed to students during the lunch break unless they have class or club meeting or if they have a prescheduled appointment with an instructor.

## **WIRELESS ACCESS**

GHS Wifi is accessible to all students' staff and guests. Students are to use the wifi access in a professional manner that follows district internet use policy. GHS student Wifi password can be found at the office.

## **HALL PASSES**

Students are not to be in the halls between classes without a pass from the teacher.

## **LOCKERS**

**Students may request an assigned locker. Lockers are not to be used unless assigned. Report any problems to the lock to the office. Students will be responsible for any damage to the locker assigned to them. Lockers are subject to search at any time.**

## **PHONES & ELECTRONIC DEVICES**

Students should make all calls only during non-class time. The office phone is for official school business only. Office personnel will make calls home for students who are sick and need to go home.

Students will not be allowed to visually have cell phones or other electronic devices while in class, or while in the halls during class time.

The following process will be applied if a student is not able to meet school expectations.

1<sup>st</sup> offense – Loss of phone for one day

2<sup>nd</sup> offense – loss of phone for day, parent contacted to pick up phone.

3<sup>rd</sup> offense – loss of privilege to have phone on campus for school year.

Students that use their phones to display unacceptable content or to use them in a harassing manner will be reported to the local police.

## **STUDENT SERVICES**

### **DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Mountain View School District #244, with certain exceptions, obtain the parent's/guardian's written consent prior to the disclosure of personally identifiable information from child's education records. However, Mountain View School District #244 may disclose appropriately designated "directory information" without written consent, unless the parent/guardian has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Mountain View School District #244 to include this type of information from the child's education records in certain school publications. Examples include:

- A playbill, showing the student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed to military recruiters without their prior written consent.

If you do not want Mountain View School District #244 to disclose directory information from your child's education records without your prior written consent, you must notify the building principal in writing. Mountain View School District #244 has designated the following information as directory information: Student's name, Address, Photograph, Participation in officially recognized activities and sports, Weight and height of members of athletic teams, Telephone listing, Grade level, Degrees, honors, and awards received, and the most recent educational agency or institution attended.

### **Title IX**

Mountain View School District is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities that are free from sex and gender-based harassment, discrimination, and retaliation. Accordingly, the District prohibits harassment and discrimination on the basis of sex, sexual orientation, gender, gender identity, and pregnancy, as well as retaliation against individuals who report allegations of sex and gender-based harassment and discrimination, file a formal complaint, or participate in a grievance process. Students, employees, or other members of the District community who believe that they have been subjected to sex or gender-based harassment, discrimination, or retaliation should report the incident to the Title IX Coordinator, who will provide information about supportive measures and the applicable grievance process(es). Violations of this policy may result in discipline for both students and District employees.

**Filing a Formal Complaint of Title IX Sexual Harassment**

As required by federal Title IX regulations, the District has established a formal grievance process for investigating and resolving formal complaints of sexual harassment, as those terms are defined in regulations.

An individual who is alleged to be the victim of conduct that could constitute sexual harassment under the federal Title IX regulations (i.e, a Title IX complainant), or parent or guardian who has the legal right to act of behalf of such an individual, may file a formal complaint of sexual harassment. No title IX complainant is obligated to file a formal complaint, but a qualifying formal complaint is necessary for the District to start an investigation using the District's formal Title IX grievance process.

Complainants are expected to file formal complaints of sexual harassment with the District's Title IX Coordinator by submitting a document or electronic submission in person, by U.S. mail, or by electronic mail, using the contact information specified below.

## **GUIDANCE DEPARTMENT**

The guidance department is maintained to aid you, the individual student, with vocational and educational planning, with learning difficulties, and will listen to personal problems if you need help. The guidance office is open before school, at noon, school hours, and after school to help you with any problems.

Tests of achievement, scholastic and vocational aptitude, and interest are administered, cumulative records kept, and personal interviews are held. We cooperate with state and national testing programs when we feel that the student stands to benefit. Catalogs for many academic and vocational colleges and universities are available. Also, scholarships are published through this office, and forms for scholarships are distributed here. Parents and students are encouraged to use the services provided through this office.

## **HEALTH & NUTRITION**

### **HEALTH SERVICES & MEDICATION**

The health office is in the main office. While a nurse is not on duty in this building, the district nurse can be contacted if you need to talk to her. Injuries must be reported immediately to the nearest faculty member. Aspirin and other medications are not available from school personnel. Students are not to share prescriptive or non-<sup>18</sup>prescriptive medication with other students. Students with medication that must be taken during the school day must leave their medication at the office. Teachers will be notified to allow

students time from class to take their medication at the prescribed time(s). Be sure to check out at the office if you leave school because of illness. Students may miss two days of PE following an illness or injury with written permission from their parents.

### **NUTRITION BREAK**

A nutrition break of fifteen minutes is offered at Grangeville High School after second period. Students are to remain inside the school cafeteria or arcade during the nutrition break. The halls and classrooms are to be vacated during the nutrition break until the bell rings signaling four minutes remaining until classes resume. Teachers may make exceptions for students with whom they are working. Students may purchase items for a snack, visit together or use the downstairs rest rooms. Exceptions can be made at the office.

### **SCHOOL NUTRITION PROGRAM**

The National School Lunch Program and School Breakfast Program are federally funded programs that offer children healthy and nutritious meals at school. Some children pay the advertised price, but low and moderate income children qualify for free or reduced priced meals. Children who qualify for free or reduced priced meals are not singled out or publicly identified. Your child may be eligible for free or reduced meals. You may apply at any time during the school year – simply contact your child’s principal or school office for an application.

## **DISCIPLINE**

### **APPEALS**

Most decisions made are based on the application of policy, rules, and law. The decisions based in these areas will stand. When an appeal is appropriate, the chain of command will be followed. There will be a civil discussion with the person making the decision. The principal will be consulted next. The next place for appeal will be with the superintendent. The superintendent may decide to let the decision of the principal stand and not have a hearing. If the superintendent decides to hear the appeal, he/she will render a decision. The Trustees of Mountain View School District # 244 will only hear an issue if, after hearing an appeal, the superintendent feels that is the most appropriate place to settle an issue.

## **STUDENT BEHAVIOR**

### **LUNCHROOM CONDUCT**

Lunch will be eaten in the Cafeteria and arcade. In order to keep a safe and orderly atmosphere in our school lunchroom students must behave in a reasonable manner. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas (“protected information surveys”):

- Political affiliations or beliefs of the student or student’s parent;

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Due process for appealing consequences is contained in policy 501.

## **TRANSPORTATION & PARKING**

### **PARKING**

Students are encouraged to leave vehicles at home. However, those choosing to drive should drive safely in the parking lots and surrounding areas, remember that buses have the right of way, refrain from parking on any yellow lines, and observe school parking traditions, observed by generations of GHS students to show respect for upperclassmen. This means that the seniors park on the east side of the school facing the school; juniors park on the east side of the school facing away from the school; sophomores will park on the north side of the school; freshmen will park along D Street and in the parking lot behind the District Office. (Keep all parking areas free of litter.) Students and anyone driving students to and from school are reminded that marked handicapped parking places are to be used only by those who hold disabled parking permits.

### **TRANSPORTATION**

Buses will pick up students and transport them to and from school on regular busing routes coordinated by the Superintendent of Schools and the Transportation Director. School rules are also observed during transportation to and from school. Students who live in town ride as a courtesy, not a right. If behavior problems arise with students who live in town, the privilege of riding a bus for transportation to and from school will likely be withdrawn. Surveillance cameras may be used on buses.
