

LELAH LAYMAN VOCATIONAL MEMORIAL SCHOLARSHIP
Application Form

This scholarship was created by family and friends of Lelah Layman to help with the cost of your education, and in loving memory of Lelah. Lelah was a very strong-willed girl, true meaning of "ten foot tall and bullet proof", even though we had to remind her every once in a while that she was only 4'8, but there was nothing she couldn't do. Lelah had a very strong love for animals, no neighborhood dog was ever safe! We had lots of animals from Askers parking lot, but her greatest passion was the feel of dirt under her bike tires it always made her feel free. She always said "when in doubt, throttle out"! So no matter what path you choose in life be safe, and as Lelah would say remember who you are...
